#### SAFETY

Johnson Arabia is dedicated to providing a safe lift!

- Machines – Well maintained Cranes and AWP.
- Operators – Skilled and trained operators (licensed and third party certified).
- Systems – Fully documented safety systems in accordance with the rules and regulations of U.A.E. authorities.
- Culture – We practice a safe working culture beyond statutory compliance.
- Risk Management – Risk assessment is conducted prior to the lift.

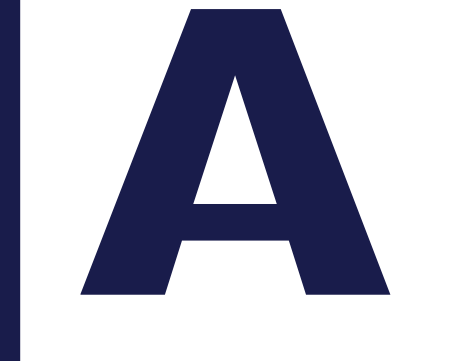

Safety is our top priority!

#### MAINTENANCE

With our workshops facilities, expertise and systems in place we are able to provide you with well maintained Cranes and AWP at all times.

- Facilities – Major workshops in Dubai and Abu Dhabi and truck-mounted mobile workshops.
- Expertise – headed by a Manager with more than 40 years experience.
- Supported by well experienced workshop staff, field mechanics and field service foremen.
- Systems – Preventative maintenance programme. Daily pre-inspections etc.

#### AVAILABILITY

Johnson Arabia is dedicated to the availability of Cranes and AWP. Our staff and value added services are available 24 hours a day, 7 days a week and 365 days a year.

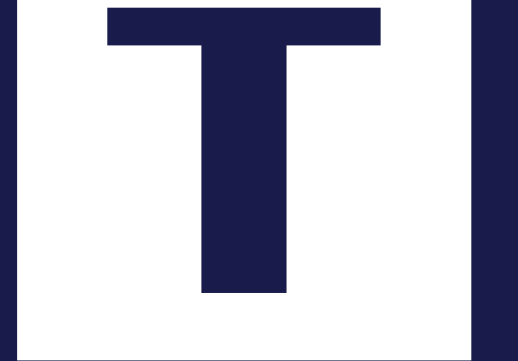

- Cranes and AWP – Any size, any type, anywhere and any amount of Cranes/AWP, small or complex lifts.
- People – Experienced and professional staff.
- Value Added Services – Rigging, transport, lift engineering, CAD studies, lifting equipment and insurance.
- Availability of Cranes and AWP for day to day hire, long-term projects, shutdowns and factory to foundations jobs and preferred supplier contracts.

#### RELIABILITY

Johnson Arabia is dedicated to providing reliable Cranes/AWP and people.

- With a track record of 10 years in U.A.E. and more than 33 years internationally.
- Dedicated to Corporate governance.
- We adhere to world class standards.
- Key player in the market.
- Committed to service excellence.

#### TOTAL COST EFFECTIVENESS

Our machines and pricing flexibility, wide range of lifting solutions and expertise ensure total cost effective solutions at all times.

- The right Crane/AWP for the right job.
- We offer site inspection and rigging studies at no extra cost.
- No delays – jobs are done on time.
- Reducing your plant downtime.
- Replacement Crane/AWP in the unlikely event of a Crane/AWP breakdown on site.
- Price Options.
